COMPLETE A WELL-BEING 5 ASSESSMENT (WB5)

Everyone enrolled in the *Chicago Lives Healthy* wellness program **MUST** complete a WB5. You have until **February 29, 2016** to complete your online WB5 for the 2016 plan year.

CLICK HERE TO COMPLETE THE WB5

The Well-Being 5 Assessment® (WB5) measures your current well-being and is used to help you and your Health Advisor identify potential areas of focus for your personal 2016 Wellness Program goals.

The WB5 is a simple, confidential questionnaire that looks at your lifestyle habits and current health to see what may be helping or hurting your overall well-being. Simply answer a few focused questions and get instant feedback in your Well-Being Report, including suggestions on ways to increase your well-being.

All questions are simple to understand and easy to answer. It should take 15 minutes to complete the questionnaire.
